The FAITH 5 (Faith Acts In The Home) By Faith Inkubators:

Care to have some fun, keep your family communicating every night, and grow in your understanding of yourself and God? Try this simple five-step process for the next six weeks and see if it doesn't help!

Here's how you do it: Whoever is going to bed first in your home calls "FAITH 5" or "Huddle Up!" Everyone must drop what they're doing, turn off the television, put down the newspaper or their homework, set the cell phone on silence and gather in a room of the convener's choice. Then take turns going through these five simple steps:

1. SHARE highs & lows of the day
2. READ and highlight a verse of Scripture in your Bible
3. TALK about how the verse relates to your highs & lows
4. PRAY for your highs & lows, for your family, and for the world
5. BLESS one another
